SPARKY
SPARKY® SAYS:
IT'S FIRE PREVENTION WEEK!
HELP SPARKY FIND THE HIDDEN PICTURES AND LEARN ABOUT FIRE SAFETY.
Make sure the smoke alarms in your home are working.
A grown-up should always be in a room when a candle is lit.
Practice your home fire escape plan twice a year.
Know the emergency number for your fire dept.
Stay 3 feet (1 yard) away from things that are hot.
A firefighter wears a hat for protection from the fire and falling objects.
Boots protect a firefighter's feet from things that are hot or sharp.
A firefighter may use an ax to cut a hole in the roof to let out smoke and heat.
A hose is hooked up to a fire hydrant to get water to put the fire out.
2
You should know two ways out of every room.
